Dear Hiring Manager:

My name is Brandon Thompson and I am writing to express my interest in the entry level Associate Security Consultant position at FireEye. I am excited for the opportunity to work for FireEye because cybersecurity is a passion of mine and FireEye is one of the top cybersecurity firms. This position aligns perfectly with my goal of becoming a Security Consultant.

Currently, I am attending Florida Polytechnic University and will graduate in the Spring of 2021 with a Bachelor's of Science in Computer Science with a concentration in cybersecurity. Throughout my college career, I have taken classes such as Computer Security, Software Security Testing, Introduction to Computer Networks, Applied Cryptography, and multiple programming classes that have taught me a lot about security concepts how to apply them.

What attracted me most to FireEye was the contributions to high-profile security breaches like Target and Sony Pictures, that we have researched in class. I look forward to meeting you to further discuss my qualifications and how I will be an asset to FireEye. Thank you for your time and consideration.

Sincerely,

Brandon Thompson
